General Summary

The Continuing Medical Education (CME) Center was established in 1982 to commemorate the centennial of The Jikei University and to support the education of physicians outside the university hospital. Registered members consist of alumni throughout Japan, members of the local medical association, and physicians who have been approved by the Jikei CME Center. Members are allowed to use the facilities (video, library) of the Center and other facilities (medical library, medical museum) of the university. A telephone service is available at all times. Members may also attend or participate in summer and monthly seminars sponsored by the Center, and in scientific meetings and conferences held by the department.

Activities

1. Registered members: 232 (as of April 1, 2011)
Members using the Center: 140/year
Telephone service: 88 cases
2. The 31st summer seminar was held on August 7, 2010. Seventy-six persons participated.
3. Monthly seminars were held on the second Saturday afternoons of the month in April, May, June, July, September, November, February, and March. Twenty-five to 30 persons attended each seminar.
4. The "CME Center News" is mailed monthly to the registered members.
